

Press Release

MTCC contracted to procure compactor for Thilafushi landfill

27th November 2019, Ref: MTCC-MBD/MIS/2019/0824

The Maldives Transport and Contracting Company Plc (MTCC) has been contracted for the purchase of a waste compactor for Thilafushi on 26th November 2019. Minister of Environment, Dr. Hussain Rasheed Hassan signed on behalf of the government and General Manager Shifau Ali, signed on behalf of the company.

The compactor will be used to compress waste so that it could be stored for longer periods without the need for open burning.

The total cost of this waste compactor is MVR 9,665,000.00 and is expected to be brought to Thilafushi within 4 months.
