MTCC meets with the members of the IMF Mission

The CEO of MTCC Hassan Shah has met with the members of the visiting mission of the International Monetary Fund (IMF), today.

At the meeting held at the MTCC Tower this morning, the CEO spoke on the current fiscal outlook of the company. He briefed the mission on the current projects undertaken by the company, and issues that the company seeks to resolve for timely project execution and completion.

CEO Hassan Shah thanked the IMF for its contribution towards development of the Maldives.

Senior Economist at the IMF, Duncan Last, (Retired), spoke on the steps the company needs to take to achieve sustainable financial growth.
