

## Press Release

### **MTCC Completes 3 Projects Undertaken to Develop G. Dh. Maavarulu Airport and Harbour**

2<sup>nd</sup> July 2020, Ref: MTCC- MTCC-BDAD/MR/2020/0010

The development of G. Dh. Maavarulu Airport Building Phase 2 is complete as of 30<sup>th</sup> June 2020. Facilities build under the project include a passenger terminal building; fire building; staff quarters, powerhouse; guard post and a restaurant. The project, which was awarded to us by the Ministry of Transport and Civil Aviation on 25<sup>th</sup> July 2019, was subsequently mobilized on 05<sup>th</sup> August 2019. Overall scope of works for the project is valued at MVR 12.1 million.

Additionally, we completed the construction of runway, taxiway and apron of G. Dh. Maavarulu airport on 31<sup>st</sup> July 2019, under Phase 1 of the project. Project works involve a 1200m x 30m runway; a 60m x 15m taxiway; and a 120m x 45m apron. The project which is valued at MVR 57.04 million was awarded to us on 15<sup>th</sup> March 2018, and subsequently mobilized on 6<sup>th</sup> April 2018.

Further, we completed work on G. Dh. Maavarulu Harbour Extension project. Scope of works for the project include the construction of a 199m breakwater; a 30m revetment; a 50m quay wall and harbour pavements of 250sqm. The installation of navigational aids, mooring rings and streetlights were also undertaken as part of this project. The project which is valued at MVR 18.1 million was awarded to us on 16<sup>th</sup> September 2019, and subsequently mobilized 26<sup>th</sup> December 2019.

The three development projects are expected to ease the services offered from G. Dh. Maavarulu airport which is located at the South End of G. Dh. Atoll near GA. Kanduhulhudhoo.
