## Press Release

6 June 2022, Male'

### MTCC awarded construction of Hdh. Kunburudhoo Waste Transfer Station

MTCC has been contracted towards construction of Hdh. Kunburudhoo Waste Transfer Station. The client is the Ministry of Environment, Climate Change and Technology of the Government of Maldives. In a ceremony held today, COO Shahid Hussain Moosa signed on behalf of MTCC and Mr. Mohamed Ansar, Deputy Minister, signed on behalf of the Ministry.

Hdh. Kunburudhoo will serve as a waste transfer station to the islands of Zone 1 including all islands of Ha. Hdh and Sh. Atoll.

Scope of works for the project include site clearing and concrete works, screed and block works, roof structure, perimeter drain and access ramp. An Environmental Impact Assessment will be conducted before the commencement of physical works. The value of the project is MVR 7.67 million and the project is to be completed within 140 days.

Over the past 41 years, MTCC has delivered various developmental projects in different regions of the country. As an important partner in nation building, we have gained nationwide trust and recognition for our capacity and expertise in implementation of various projects.
