MTCC awarded R. Ungoofaaru Coastal Protection Project

MTCC has been awarded R. Ungoofaaru Coastal Protection Project. The client is the Ministry of National Planning, Housing, and Infrastructure of the Government of Maldives. In a ceremony held today, CEO Adam Azim signed on behalf of MTCC and Ms. Zeeniya Hameed, Permanent Secretary, signed on behalf of the Ministry.

Scope of works for the project include construction of a 120m breakwater, a 110m groyne and beach filling operations of 16,830 cbm. Additionally, an Environmental Impact Assessment (EIA) will be conducted as part of the project scope. It is noteworthy that the process of EIA is completed with the involvement of all the stakeholders involved. The value of the project is MVR 11.11 million and the project is to be completed within 180 days.

Over the past 41 years, MTCC has delivered various developmental projects in different regions of the country. As an important partner in nation building, we have gained nationwide trust and recognition for our capacity and expertise in implementation of various projects.
